

International Symposium on Mitochondria and Plastids

Yamaguchi 2015

March 6, 2015

Daigaku Kaikan

Yamaguchi University

Japan

Opening Address

13:00-13:05 Hidetoshi Miike, *Vice President*

Chair Osami Misumi, *Yamaguchi University*

13:05-13:50 Isamu Miyakawa, *Yamaguchi University*

Morphology and organization of yeast mitochondrial nucleoids

13:50-14:35 Lubomir Tomaska, *Comenius University, Slovakia*

The roles of HMG-box proteins in maintenance of mitochondrial nucleoids

Coffee Break (14:35-14:50)

Chair Isamu Miyakawa, *Yamaguchi University*

14:50-15:35 Mari Takusagawa, *Yamaguchi University*

Proteins involved in the organization of plastid nucleoids

15:35-16:20 Yamato Yoshida, *Michigan State University, USA*

Structural insights into the mechanism of the plastid-dividing machinery

Closing Remarks

16:20-16:25 Masahiro Fujishima, *Project Leader*

Contact: Isamu Miyakawa
